TO BEAUTY CARE:  
FAST-ACTING  
FORMULAS,  
LONG-LASTING EFFECT

COSMETELLECTUAL CREAM

# OPT FOR THIS PRODUCT IF YOU EXPERIENCE:

- LOSS OF SKIN RESILIENCE
- LOSS OF FACIAL CONTOURS
- PRONOUNCED WRINKLES
- SAGGING SKIN THAT REQUIRES LIFTING EFFECT
- EXTREMELY DRY AND INELASTIC SKIN
- AGE-RELATED PIGMENTATION
- DEEP WRINKLES, INCLUDING IN THE CORNERS OF THE MOUTH

# FAVORITE LEGENDARY PRODUCT IN THE NEW ECO-FRIENDLY PACKAGING

Smart formula targets the lower layers of skin (dermis): DiamondSIRT® ensures the skin repair from within, while SWT-7™ (Swertia extract) helps smooth out vertical and horizontal wrinkles – visible effect in just 7 days\*.

SEE ELASTIC, RESILIENT AND FIRM SKIN FILLED WITH ENERGY AND NATURAL GLOW.

\* Analysis of wrinkles and skin texture of lower face with numerical pictures and Visia CR filter. Wrinkle volume analysis by profilometry on skin prints: Laboratoire BIO EC. Clinical evaluation of lip contour wrinkles with fringe projection and clinical evaluation of lipstick migration: Laboratoire DermScan.

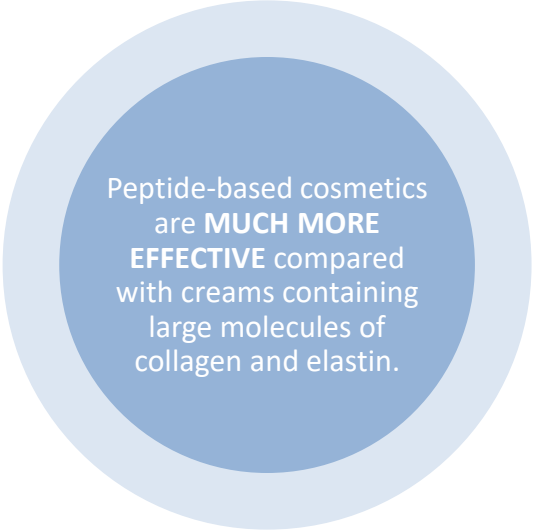

# TWO EFFECTIVE PEPTIDES THAT RESTORE SKIN YOUTH

## **BONT-L-PEPTIDE SOLUTION** (PALMITOYL HEXAPEPTID-19) PROMOTES WRINKLE REDUCTION\*

Fast visible and tangible effect:

- reduced severity and depth of wrinkles, including those around the eyes and lips;
- local correction of the nasolabial folds;
- reduced forehead wrinkles;
- prevented prematurely withered skin (wrinkles on the neck and décolleté area).

\* Visible effect in just 7 days.

Peptide-based cosmetics  
are **MUCH MORE**  
**EFFECTIVE** compared  
with creams containing  
large molecules of  
collagen and elastin.

# TWO EFFECTIVE PEPTIDES THAT RESTORE SKIN YOUTH

## **DiamondSIRT®** (ACETYL SH-PENTAPEPTIDE-35, DIAMOND POWDER) “STOPS TIME”

THE COMPLEX OF PEPTIDES, CONNECTED WITH DIAMOND POWDER

The potent and highly bioavailable antioxidant protects against premature aging.

*“I SAW THE FIRST  
RESULT IN A WEEK!  
MY SKIN BECAME  
MORE RESILIENT.  
EVEN MY CLOSE ONES  
NOTICED IT...”*

# CLINICALLY PROVEN TO DIMINISH THE APPEARANCE OF MARIONETTE LINES

KEEPS LIP COLOR FROM BLEEDING FOR YOUR CONFIDENT LOOK!

- **MINIMIZED LIPSTICK BLEEDING** right from the first application!
- **LESS PRONOUNCED LIP CONTOUR WRINKLES** in **7 DAYS** of application\*.

\* Analysis of wrinkles and skin texture of lower face with numerical pictures and Visia CR filter. Wrinkle volume analysis by profilometry on skin prints: Laboratoire BIO EC. Clinical evaluation of lip contour wrinkles with fringe projection and clinical evaluation of lipstick migration: Laboratoire DermScan.

# ONE PRODUCT: TRIPLE BENEFIT

1

## WORKS DURING THE DAY **ANTIOXIDANT PROTECTION**

ALTEROMONAS ENZYME and REISHI MUSHROOM – powerful antioxidants that neutralize toxins' effect on the skin.

2

## RESTORES AT NIGHT **STIMULATES COLLAGEN SYNTHESIS**

SOYBEAN EXTRACT restores the slowed down cell division process and is responsible for the general rejuvenation of cell populations and activation of epidermis and dermis renewal.

3

## CARES FOR THE NECK AND DÉCOLLETÉ AREA **LIFTING AND FACIAL SCULPTING**

GALACTOARABINAN (POLYSACCHARIDE OF THE SIBERIAN LARCH) provides a noticeable mechanical lifting.

## **HOW TO APPLY THE CREAM IN THE MORNING?**

- In 1-2 minutes after serum.
- Apply pea-size amount onto 5 areas: forehead, cheeks, nose and chin.
- With light tapping or massage motions, from the bottom up.

## **WHEN AND HOW TO APPLY IT IN THE EVENING?**

- In 1-2 minutes after the serum, apply the pea-size amount on 5 areas: forehead, cheeks, nose and chin.
- With light tapping or massage motions, from the bottom up.
- At least 30 minutes before sleep, so that the cream is absorbed into the skin, rather than into your pillowcase.

## **HOW TO PROPERLY APPLY THE CREAM ON THE NECK AND DÉCOLLETÉ AREA?**

- Apply a small amount of the cream onto the neck and décolleté area.
- Perform smoothing motions along the facial contours and the neck.
- Finish by gently smoothing the décolleté area from the chin to the collarbone.

# SUSTAINABLE. RESPONSIBLE. SMART.

## ECO-FRIENDLY PACKAGING

3 advantages:

- 85% less carbon dioxide emissions when recycling packaging;\*
- Refillable pod (refill) made of recycled PP (polypropylene);
- Filler can be easily replaced with a new one.

\* According to packaging manufacturer – RPC BRAMLAGE.

# COMPLEX SKINCARE IS **WAY MORE EFFICIENT** THAN A SINGLE PRODUCT

BUT DO WE KNOW WHY?

Complex care (using products of a single line) rests upon the synergy effect: the formula of each product is designed so that each step complements the other.

You can successfully match diverse products, but it is the complete set that provides the maximum effect!
