CUTTING-EDGE COMPONENTS: FOR PROMPT SKIN RESTORATION

HIGH-MOLECULAR HYALURONIC ACID

Packed in special micro-spheres, it penetrates into the deeper layers of skin, where unwrapping it swells and plumps out the wrinkles from within providing an immediate rejuvenating effect.

CUTTING-EDGE COMPONENTS: FOR PROMPT SKIN RESTORATION

DiamondSIRT[®] (ACETYL SH-PENTAPEPTIDE-35, DIAMOND POWDER) “STOPS TIME”

THE COMPLEX OF PEPTIDES, CONNECTED WITH DIAMOND POWDER

The potent and highly bioavailable antioxidant protects against premature aging.

“THIS SERUM MAKES ME ADORE MY REFLECTION IN THE MIRROR: HYDRATED, GLOWING SKIN, AND MORE DEFINED FACE CONTOURS...”

NATURAL COMPONENTS: FOR PROMPT SKIN RESTORATION

REISHI MUSHROOM EXTRACT stimulates the synthesis of collagen, supports youth and cell health, strengthens the immune system of the skin.

CAMELLIA JAPONICA SEED OIL enhances skin elasticity and smooths its texture.

CHERRY FLOWER EXTRACT protects from photoaging.

ONE BOTTLE: DOUBLE EFFECT

1

WORKS DURING THE DAY VISUALLY REDUCES THE NUMBER AND DEPTH OF WRINKLES

Visual and cumulative effect: fine lines are less pronounced, deep (static) wrinkles are less visible throughout the whole day.

HOW TO PROPERLY APPLY THE SERUM ON THE FACE?

- Apply a small amount of serum. Otherwise, you'll get a sticky feeling.
- Warm up the serum in the palms and apply it with your fingertips onto the face, using gentle, pressing motions, along the massage lines.
- The serum should be completely absorbed. Wait 5-10 minutes before applying the cream.

CARES FOR THE NECK AND DÉCOLLETÉ AREA **MOISTURIZING, NUTRITION AND SOFTENING**

Essential oils of plum, cranberry, and camellia japonica deliver marked nourishing and antioxidant effects, improve the lipid barrier and soften the skin.

HOW TO APPLY THE SERUM ON NECK AND DÉCOLLETÉ AREA PROPERLY?

- Apply a small amount onto the neck and décolleté area.
- Perform smoothing motions along the facial contours and the neck.
- Finish by gently smoothing the décolleté area from the chin to the collarbone.

COMPLEX SKINCARE IS **WAY MORE EFFICIENT** THAN A SINGLE PRODUCT

BUT DO WE KNOW WHY?

Complex care (using products of a single line) rests upon the synergy effect: the formula of each product is designed so that each step complements the other.

You can successfully match diverse products, but it is the complete set that provides the maximum effect!
